

Operationalize Your HIPAA Compliance Program

A partner you can trust to help you become
and remain HIPAA-HITECH compliant.
Introducing Clearwater Compliance.

Clearwater Compliance, LLC, is all about and only about helping healthcare organizations and their service providers become and remain compliant with the rigorous HIPAA-HITECH regulations. Owned and operated by veteran, C-suite health care executives, the company has served more than 350 organizations since deciding to focus only on HIPAA in 2010.

Why Clearwater?

- Unmatched Expertise:** Personalized Support from Healthcare Execs and HIPAA Experts with Sole Focus on HIPAA-HITECH
- Proven Methodology:** By the Regs, Step-by-Step Guidance to Ensure Disciplined Compliance Process
- Stellar Reputation:** Highly Satisfied Customers, Exceptional Support, Commitment to Service Excellence
- Proprietary Software:** Powerful, Web-based Software to Operationalize Your Compliance Program

**HIPAA is complex.
But becoming and remaining truly
compliant doesn't have to be.**

Our best-in-class HIPAA-HITECH software and services enable covered entities and business associates to become and remain compliant with HIPAA-HITECH faster, cheaper and more thoroughly. We've helped customers navigate OCR audits and investigations and successfully establish robust compliance programs.

With Clearwater you get the best of both worlds.
Powerful solutions. Personal service.**

We are obsessed with delivering value to our customers. As a result, they clearly see the Clearwater difference. But don't take our word for it. We asked our customers what they like most about Clearwater.

Here's what they said:

Methodology - Very well organized and professional.

Expertise - Knowledgeable, experienced staff.

Flexibility - Personalized, nimble solutions.

Partnering - Trustworthy, personable, reliable.

Responsiveness - Easy to reach, quick to take action.

Pricing - Affordable options that don't break the bank.

Software - Most robust, comprehensive solutions available.

"Clearwater Compliance has done an excellent job for us with their audit of our privacy, security and breach readiness to comply with HIPAA, HITECH regulations. They are very specific, very clear, very thorough and very knowledgeable. Their style is structured, but friendly and easy. We feel we are very conversant in the regs and expectations surrounding privacy, security and breaches."

Eric Bergen | Sr. Director
Quality Improvement & Compliance
Alameda Alliance for Health

"Clearwater Compliance did a great job at helping us understand our needs and developed a plan to align our policies and procedures with the HIPAA-HITECH requirements."

Scott Barnhill | Director
Information Technology & Security
ADP® AdvancedMD | Time to Practice
